## EQ • THE 5%

The whys: fears, dreams, doubts. If anybody outside the forum knows it, it is not 5%.

| Headline | Significance / Impact | Emotions / Feelings<br>(3+ words) | What do I realize about myself?                                             |
|----------|-----------------------|-----------------------------------|-----------------------------------------------------------------------------|
| 1        |                       |                                   | <input type="checkbox"/> PARKING LOT <input type="checkbox"/> TODAY'S QUEUE |
| 2        |                       |                                   | <input type="checkbox"/> PARKING LOT <input type="checkbox"/> TODAY'S QUEUE |
| 3        |                       |                                   | <input type="checkbox"/> PARKING LOT <input type="checkbox"/> TODAY'S QUEUE |

## IQ • LEARNING

The what and the how: process, tools, facts and figures. Name 1-2 topics to bring to the room.

e.g. your best use of AI right now • comp, bonuses, and benefits that keep your people • company culture in a hybrid/virtual world

|                                                  |                                                  |
|--------------------------------------------------|--------------------------------------------------|
| 1                                                | 2                                                |

HOW THE MEETING USES THIS SHEET

EQ FIRST AND BIGGEST, IQ LAST AND SHORT

**FIRST ~2 HRS • EQ**

5% reflections + the planned deep dive.

**NEXT 30-60 MIN • EQ**

1-2 impromptu deep dives, open coached, ~30 min each.

**LAST ~30 MIN • IQ**

2-4 lightning rounds, 10-12 min each: a 2 minute topic overview, then 1-minute shares.
