

[A PILOT TO TEST]

REGIONAL TRAINING EXPERIENCE

A pilot for any chapter to pick up and run with. New members from several chapters fly to one host city each quarter. Dinner the night before is in a private room at a MICHELIN-starred or equivalent restaurant with the host chapter's leaders and the trainer. One night away.

HOW IT RUNS

THURSDAY AFTERNOON

Trainees fly into the host city.

THURSDAY NIGHT

Happy hour and dinner in a private room at a MICHELIN-starred or equivalent restaurant with the host chapter's leaders.

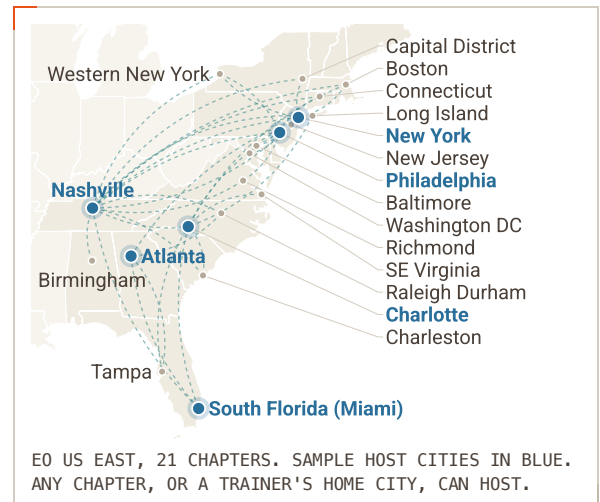

FRIDAY

A full day of training at a private social club or a boutique hotel.

FRIDAY EVENING

Wrapped in time for an early evening flight home.

AT THE DINNER

THE TABLE

- ✓ **Why we joined.** The trainer facilitates a conversation about why everyone at the table joined EO.
- ✓ **Advice from tenured leaders.** The trainer interviews the host chapter's tenured members and leaders: their best EO experiences, and what new members should do to get involved sooner rather than later.
- ✓ **The owner stops by.** Restaurant owners, often EO members, come out to talk business model and the entrepreneurial journey.

WHY IT WORKS

- ✓ **Value on day one.** Right after their \$11,000-plus check, new members are at a private MICHELIN-level dinner with EO leaders.
- ✓ **A real sense of how big EO is,** with friends in other chapters who keep showing up at regional events.
- ✓ **A full training room.** No \$250-per-person fee for empty seats.
- ✓ **Better retention.** Forum members who visit outside their chapter renew at 95%.*

RUN IT AS A PILOT

Run it as a pilot. Test it this year. Ask the region for Forum, Membership, or Engagement funds to offset some of the costs.

*Prior data: a member who has visited an event outside their local chapter and is in forum has a 95% renewal rate.
